#### Summary of previous report findings

The previous inspection from 07/09/07 showed the nursing home to be substantially compliant with current nursing home inspectorate regulations at the time of inspection.

#### Current Inspection Summary Findings

**Compliance status**

Findings of latest (unannounced) inspection which took place on 24/04/2008

The inspectors findings based on the [current nursing home inspectorate regulations](#) are as follows:
Nursing Home Inspection Report

Summary Findings of Current Nursing Home Inspection

- **Under Care & Staffing** the nursing home was compliant with 21 out of 21 regulations.
  On the basis of this inspection and under current nursing home regulations, the inspection team would consider that the nursing home provides a good standard of Care and Staffing for residents.

- **Under Management** the nursing home was compliant with 27 out of 27 regulations.
  On the basis of this inspection and under current nursing home regulations, the inspection team would consider the nursing home to have a good standard of management.

- **Under Physical Environment** the nursing home was compliant with 11 out of 11 regulations.
  On the basis of this inspection and under current nursing home regulations, the inspection team would consider the nursing home provides a good Physical Environment for residents.

All regulations, their reference numbers and the details of those regulations can be viewed in Nursing Homes (Care and Welfare) Regulations, 1993.

Comments and Recommendations

1. The Designated Officers recommends that any items that will be used by the residents are not stored on the floor of the store room, for example packets of continence pads.

2. The Designated Officer acknowledge on the day of the inspection that the Nursing Home is currently in the process of developing a policy related to Care for the Dying and recommend continuation of this process.
